

Enabling Notifications on Dealersocket

In order enable notifications on Dealersocket, click on the **globe** found on the top of the screen.

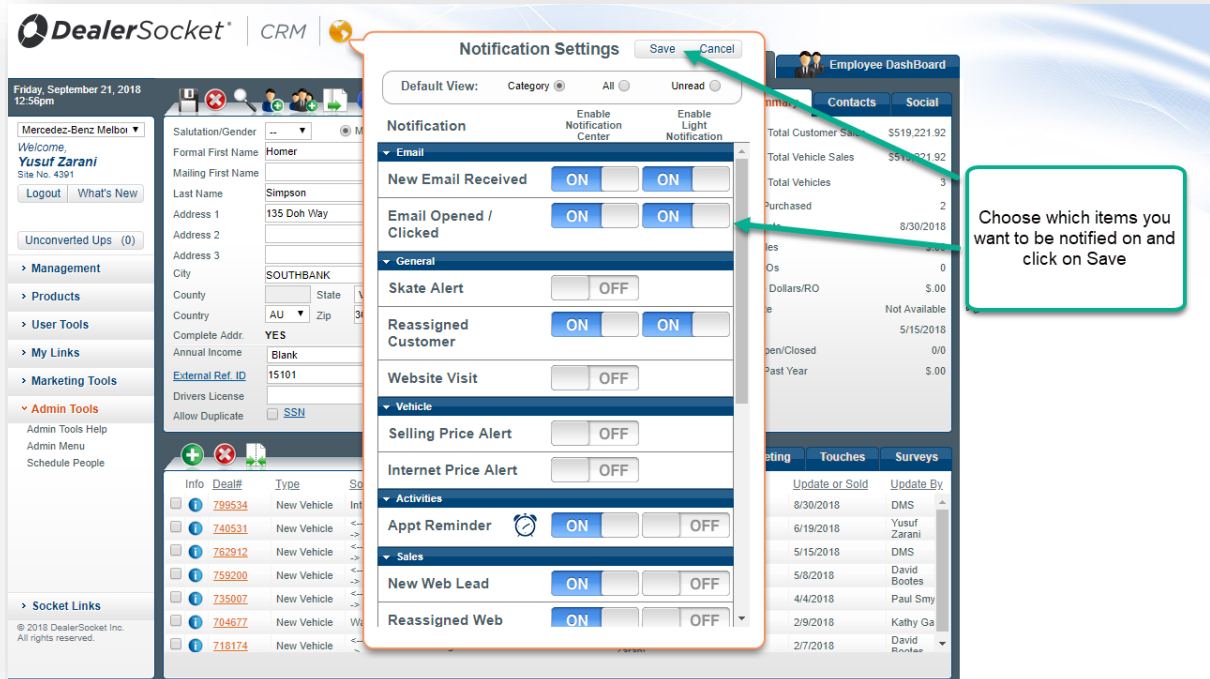

The screenshot shows the DealerSocket CRM interface. At the top, there is a navigation bar with the DealerSocket logo, 'CRM', and a globe icon. A green arrow points to the globe icon, and a callout box with the text 'Click on the Globe' is positioned next to it. The interface also displays a sidebar with various menu items, a central area for customer details, and a right-hand panel with summary statistics and a table of recent activities.

Click on **Settings**

The screenshot shows the DealerSocket CRM interface with the 'Notifications' dropdown menu open. A green arrow points to the 'Settings' option within the menu, and a callout box with the text 'Click on Settings' is positioned next to it. The 'Notifications' menu lists various categories such as Email, General, Vehicle, Activities, Sales, Service, Parts, Ping, and Mobile Desking, each with a count in parentheses. The background shows the same CRM interface as the previous screenshot.

Choose what you would like to be notified and then click on [Save](#)
