

# CHOICE AWARD LSH AUTO

26 November 2019

## Andrew Adametz

*Workshop Team Leader  
Mercedes-Benz Melbourne*

### ***LSH Auto Choice Award – 3rd Quarter 2019***

We are excited to announce Mercedes-Benz Melbourne's third quarter recipient of the LSH Auto Choice Award; Andrew Adametz – *Workshop Team Leader*.

Joining the Mercedes-Benz Melbourne team as a Diagnostic Technician in *June 2018*, Andrew was quick to impress with his commitment to our team, unwavering work ethic and positive nature and was promoted to *Workshop Team Leader - January 2019*.

Andrew is well known for being a friendly face around the dealership and “*always provides a spark of positivity*” wherever needed.

Ivana sat down with Andrew to chat about his time with Mercedes-Benz Melbourne, and his nomination for the Choice Award.

#### **What do you enjoy the most about your role?**

Getting to work with the people I do and being able to share the knowledge I have gained over my 22 years working on Mercedes-Benz cars.

**When you were told that you had been nominated for the Choice Award what were your initial thoughts?**

I was very shocked and overwhelmed. What I do in the workplace comes very natural to me and didn't realize it was being noticed!

**Why do you think people feel you're a positive influence on the culture at MBM?**

I think it's my calming nature.

**What is it that motivates you to get out of bed every day?**

I still get a "buzz" from fixing vehicles and I love being part of this team!

**What do you get up to outside work?**

I'm married to my amazing wife Lisa and we have two incredible children; Joseph (11) and Hannah (9). We spend our time exploring this amazing country that LSH has given me the chance to work in.

**You've nominated Guide Dogs Victoria, why did you choose this charity?**

My family and I are very close with Guide Dogs Victoria, we are puppy raisers for the organisation and would love to help provide the additional support.

*Guide Dogs Victoria provide vital support for Victorians with low vision or blindness. Established in 1957, their services have grown far beyond just the dogs themselves to include a wide range of training and educational programs. As active members of the communities they operate in, Guide Dogs Victoria also offers Orientation & Mobility training programs for children and adults affected by low vision or blindness.*

If you would like to donate, get involved or seek information on the programs and resources offered by Guide Dogs Victoria, you can contact them at;
