

# CHOICE AWARD LSH AUTO

21 January 2020

## Nathan Owen

*Assistant Service Manager  
Mercedes-Benz Sydney*

### **LSH Auto Choice Award – 4<sup>th</sup> Quarter 2019**

We are excited to announce Mercedes-Benz Sydney's fourth quarter recipient of the LSH Auto Choice Award; Nathan Owen - Assistant Service Manager.

Joining Mercedes-Benz Sydney as an apprentice in 2004, Nathan became a qualified technician in 2008 and moved into a Service Advisor role in 2011. In 2018 Nathan was promoted to Assistant Service Manager where he is known for his "can do attitude" & willingness to always lend a hand, no matter the time place.

Zoe sat down with Nathan to discuss his time with Mercedes-Benz Sydney and his nomination for the Choice Awards.

#### **What do you enjoy the most about your role?**

I like that every day is different from the next, each day has its own set of challenges; what I enjoy the most is to problem solve complex issues. It's very gratifying to see our customer leaving happy knowing that we have done everything we can to help them.

**When you were told that you had been nominated for the Choice Award what were your initial thoughts?**

I feel honoured that I have been acknowledged for something I love doing each & every day.

**Why do you think people feel you're a positive influence on the culture at MBS?**

I would hope it's because of my willingness to help others and solve problems.

**What is it that motivates you to get out of bed every day?**

The Service team, they truly make it a great place to come each day. Also, I'm very passionate about the brand, even though I've been with Mercedes-Benz for over 16 years I'm still learning something new about our vehicles daily, it's really exciting.

**What do you get up to outside work?**

Travelling overseas, catching up with friends & family.

**You've nominated Beyond Blue, why did you choose this charity?**

This charity holds a special place for me, I want to see this charity supported as much as possible to assist other people.

*Established in 2000 Beyond Blue has become a nation leader in the mental health sector raising public awareness of depression, anxiety and suicide prevention. Partnering with all tiers of government, the health sector and their corporate, community and media partners Beyond Blue, through their research and support programs have become advocates for positive change. Their research continues to shape the dialogue relating to mental illness while their resources and programs tackle the stigma, prejudice and discrimination associated with mental illness.*
