20 May 2020

Vince Reggi

*MBQ Autobody Branch Manager
Mercedes-Benz Brisbane – MBQ Autobody, Salisbury*

LSH Auto Choice Award – 1st Quarter 2020

We are excited to announce Mercedes-Benz Brisbane's first 2020 recipient of the LSH Choice Award; Vince Reggi / Autobody Branch Manager – MBQ Autobody, Salisbury.

Vince joined the team at MBQ in April 1991 as an apprentice Panel Beater and is longest standing employees with over 29 years of service. Vince has worked his way through the business from apprentice to qualified Panel Beater before taking on more responsibility as foreman and then into management.

Vince was happy to sit down with Tamika to discuss his nomination.

What do you enjoy the most about your role?

I love being able to see the transformation of a vehicle back to its pre-accident state and seeing how happy the customers are when they get back on the road.

When you were told that you had been nominated for the LSH Auto Choice Award what were your initial thoughts?

I thought I was in trouble when she came to tell me! I am extremely grateful for the team I have around me at MBQ Autobody. I wouldn't be in this position without them.

**Why do you think you were nominated for the LSH Auto Choice Award?**

I am extremely dedicated to LSH and MBQ and I want us to succeed.

What is it that motivates you to get out of bed every day?

I want to keep driving excellence at MBQ Autobody. I am continually learning in my role and I always try and make today better than yesterday.

Do you have any hobbies or interests outside of work?

I love being active. I am always in my garden or outside exercising. I have a road bike and I get out on it as much as I can as well.

You have nominated the Australian Cancer Research Foundation to make a contribution to. Why is it that you chose this charity?

I am nominating Dementia Australia as I lost my mother to dementia not long ago and I am beyond grateful for the work that Dementia Australia do to support families.

Formed in 2017, Dementia Australia represent the 459,000 Australians living with dementia and the almost 1.6 million Australians involved in their care.

As a member of Alzheimer's Disease International, the umbrella organisation of Dementia and Alzheimer's Associations around the world, Dementia Australia advocates for the needs of people living with all types of dementia, and for their families and carers providing support services, education and information.

They advocate on the basis of evidence-based policy, promote awareness of dementia, administer national contracts with the Commonwealth Government and provide research grants to emerging researchers through the [Dementia Australia Research Foundation](#).

If you would like to join Vince in supporting Dementia Australia, you can donate by visiting their website <https://www.dementia.org.au/how-can-i-donate> or call them on 1300 636 679 for more information.

With Vince's selection he and his guest will receive an invitation to the LSH Auto Choice Award Gala where he will be recognised for his contributions and will have the chance to be awarded The Annual Choice Award which will be presented to the person who has continued to exhibit the noted attributes and influenced their work and/or local community in a positive way.
